Work Covered

57. The Association and the Individual Employers, parties hereto, recognize the Union as the duly authorized, sole and exclusive Collective Bargaining Representative under Section 9(a) of the National Labor Relations Act of all employees employed by the Individual Employers who perform work covered by this Agreement, on all present and future job sites within the jurisdiction of the Union, on the following basis: The Union has requested that each Individual Employer recognize the Union as the Section 9(a) representative of its employees; the Union has offered to submit to each Individual Employer, directly or through its bargaining representative, evidence that the Union has the support of a majority of the Individual Employer's employees; and the Individual Employer acknowledges and agrees that a majority of its employees have authorized the Union to represent them in collective bargaining.

59. This Agreement shall cover all work falling within the recognized craft jurisdiction of Local 16, including without limitation of the foregoing:
60. Lining of all mechanical room surfaces and air handling shafts.
61. The filling and damming of fire stops and penetrations including, but not limited to, electrical and mechanical systems.
62. All foam applications for the purpose of thermal, acoustical, or fire protective purposes, including RTV foams or equivalents, applied to mechanical or electrical systems.
